Trustees Team

Overview - The Board of Trustees supervises and maintains all property belonging to our congregation so that the ministries of Crossroads of Faith may be effective. The committee is entrusted to see to the proper keeping of God's house as a way to honor God and to facilitate the local ministry of Crossroads of Faith.

The trustees together have several legal and administrative functions. They are to:

- Oversee, maintain, and supervise our local church property. This would include an annual inspection and inventory of all church property.**
- Report annually to the charge conference on the state of the church's property, equipment, investments, and resources.**
